

Required Skills

Technical Competencies

- Python/R
- programming
- ML/DL
- frameworks
- Cloud
- platforms
- Database
- systems

Domain Knowledge

- Clinical
- workflows
- Regulatory
- requirements
- Healthcare
- data
- standards
- Disease
- mechanisms

Soft Skills

- Communication

Continuous Learning

- Online

- Collaboration
 - Problem-solving
 - Project
 - management
-
- courses
 - (Coursera,
 - edX)
 - Research
 - papers
 - Conferences
 - Side
 - projects

Certification Options: AWS/GCP/Azure certifications, CAHIMS, RHIA/RHIT for health informatics
